Welcome Back!

We know and understand that we are entering new and uncertain territory. Please know that our faculty, staff, and administration are working hard to make this school year as smooth as possible. We are here to answer any questions that you may have. Please do not hesitate to call or contact us via email. School Contact Information can be found here:

Summer Work

Congratulations to the students who participated in our Summer Learning Hike, an optional summer learning opportunity. This personalized instruction identified and addressed learning gaps that typically occur in the summer and worked to ensure students are ready for grade-level instruction in the upcoming school year. The purpose of the Summer Learning Hike was to offer students the opportunity to review reading and math content. There is still time to participate!

Student Schedules

Remote learning begins September 8th

Grade level schedules were mailed on August 21st and are linked here:

[Kindergarten](#) [1st Grade](#) [2nd Grade](#)

[3rd Grade](#) [4th Grade](#) [5th Grade](#)

***Updates will be made to some homeroom teacher assignments this week. Please continue to check Schoology for your child's assigned homeroom teacher.*

Back to School - UPDATES

[BCPS Reopening Plan](#)

- **Material Pickup for Students** - On **September 1st, 2nd, and 3rd** we will be having drive-by pickups of materials and books needed for remote learning. Parents/guardians will drive up and roll the window down and the materials will be handed through the window. The specific schedule is as follows:

September 1st 9:00AM - 1:00PM

September 2nd 1:00PM - 4:00PM

September 3rd 3:00PM - 7:00PM

Nurse Graham's Healthy Hints

- It is important that all student immunizations are up to date. If you have recently been to the pediatrician, please send in the most current (less than 2 years ago) immunization file.
- Please make sure you are practicing with your child(ren) how to properly wash their hands and what social distancing means. Social distancing is the practice of increasing the space between individuals (at least 6 feet) and decreasing the frequency of contact to reduce the risk of spreading a disease.
- Seek your family physician's advice if you have any questions! Stay safe and healthy!

Mrs. Olsen's Counselor Corner

As we continue traveling through this new normal, here are some key aspects referenced in the link below that can make a huge difference in this change in our daily lives:

- Mental Health Support
- Time Management
- Setting Up a Designated Workspace
- Communication

I hope to be a resource for all of you as we navigate these waters together.
