3rd Grade Information

The 3rd grade teachers are planning a fun Holiday STEM activity with their homerooms on Wednesday, 12/23! Have your student start collecting recyclable materials that you may have around the house- plastic bottles, caps, rubber bands, packing peanuts, etc.!

Library Updates

Students are still able to access eBooks through Tumble Books. Please visit Ms. Eaton's Schoology page for the link to access the website.

Counselor's Corner

Because the messaging system has been compromised, we cannot be sure that parents received the information about the Personal Safety lessons planned for December. To give us more time to send out those notifications, I will be teaching the January lessons about character and accepting differences this month. The Personal Safety lessons will be next month.
