- 6/22** – *last day of class for Kindergarten-Grade 5, 3-hour early dismissal*

Computers Updates

Student Computers:

Students who are returning to BCPS will keep their Chromebook over the summer. The BCPS Help Desk and ticket system will be used during the summer to repair broken computers.

Students Withdrawing From BCPS:

If a student withdraws from BCPS they must turn in their device, hot spot, cord, and bag if applicable to the main office. Students who leave our school system and do not return their computer equipment will be charged for the replacement of those items.

Library Update

Please return all library books to the school. Library books are hardcover and have a sticker with our school's name on the back cover.

Virtual students who have books out from last year need to please drop the books off to the main office during school hours. Please return them as soon as possible. Thank you!

Virtual Student Information

Families of students who are virtual need to pick up their paperback books from the main office during school hours. They must bring their computer up to school with them for it to be scanned and the computer will be given right back to them. Starting the week of June 14th, Cohort C students may bring their device and pick up their books from the main office.

Counselors Corner

Please complete the survey June 11 so we can start planning ways to best support our students' social and emotional needs in the 2021-2022 school year.
